

Material Safety Data Sheet

1. Product Identification and Company Identification

Commercial Product Name: Self Adhesive Vinyl Repair Patch

Style Item No: #S318/5C

Company Name: Guang Zhou Shin Dorn Plastic Toy Co., Ltd.

2. Composition and Hazardous components

Polyvinyl Chloride	Approx.	40%
Pressure Sensitive Adhesive	Approx.	20%
Backing Paper	Approx.	40%

3. Hazards Identification

Appearance and Odor: Semi-transparent, Self-adhesive, Waterproof,

Mechanical patching assembly.

Percent Volatiles By Volume: Trace

4. Fire Aid Measures

Extinguishing Media: As may be required for materials in surrounding fire.

Skin: Wash with soap and flush thoroughly with water.

Obtain medical attention all cases.

5. Fire Fighting Measures

Special Fire Fighting Proc: Use fire extinguishing media & procedures appropriate for surrounding fire.

6. Accidental Release Measures

Stability: Yes

Hazardous Decomp Products: By combustion: CO, CO₂, Oxides of nitrogen

Hazardous Poly Occur: No

Route Of Entry--Inhalation: No

Route Of Entry--Skin: Yes

Route of Entry--Ingestion: No

Health hazardous Acute and Chronic: Possible allergic irritation to sensitive individuals.

Signs / Symptoms Of Overexp: Possible allergic irritation to sensitive individuals.

Material Safety Data Sheet

7. Handling and Storage

Storage temperature: Max 49°C Min 0°C

Storage temperature: Indoor

Operating temperature: 40°C ~ 10°C

Clean the area surface thoroughly before repaired.

Not a saving device.

8. Exposure Controls / Personal protection

Other Protective Equipment: No special control methods required.

9. Physical and Chemical Properties

Flash Point: Not applicable

Boiling Point : Not applicable

Vapor Pressure: Not applicable

Vapor Density: Not applicable

Evaporation Rate: Not applicable

Solubility in Water: NO

Viscosity: Not applicable

Melting Point: Not applicable

Hazardous Polymerization: Hazardous polymerization will not occur.

10. Stability and Reactivity

Stability: Stable at normal temperatures and pressures.

Conditions avoidance: Temperatures over 40°C, ignition sources, and incompatible materials.

11. Toxicological Information

None known

12. Ecological Information

Environmentation Data: Not Applicable

Do not flush into surface water or sanitary sewer system.

Waste from residues/ unused products

Can be incinerated, when in compliance with the Environment Protection Act 1900 (Process Guidance Note IPR 5/1) Empty remaining contents. Contaminated packaging.

13. Disposal Information

Waste Disposal Method: Dispose of in accordance with local, state and federal regulations.

The information provided with this Material Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as guidance for safe handling use, processing, storage, disposal, release and is not to be considered a warranty or quality specification.

Material Safety Data Sheet

Date of Issue: May 1, 2008

Issue No.: 604

Page: 3/3

14. Transportation Information

Special Transport Way and Note: Keep away from foodstuffs, acids and alkalis.

Put between 5°C and 40°C. The data provided in this section is for information only and may not be specific to your package size. You will need to apply the appropriate regulations to properly classify your shipment for transportation. Non-Regulated.

15. Regulatory Information

Follow the application instruction which shown on the backing paper.

This product in a manner is not in accordance with the directions for usage, may affect the performance or may present potential health and safety.

16. Other Information

This material safety data sheet is provided as a information resource only, and correct to the best of our knowledge, information and belief at the data of its publication, given is handling, use, processing , storage, transportation.

The information contained disposal and release and is not to be considered a warranty or quality specification. Before any product is used, the label should be carefully read and the current safety literature and information consulted.
