## CORPORATE VALUES:

**Commitment to Quality:** Our products are designed to offer value with best-in-class quality. We strive for continuous improvement across all product lines along with bringing new innovations to the marketplace.

**Act with Integrity:** Conducting ourselves with the highest standards of personal accountability, honesty, and fairness with our customers, vendor partners, and employee community is paramount to our success.

**Respect for Each Other:** We value and respect each individual's contributions and take pride in offering continued growth opportunities and education to build a stronger employee community.

**Excellence in Customer Satisfaction:** Respect for our customers and exceeding expectations for on-time delivery, order processing, and facilitating special requests in a timely manner is first and foremost for us every day.

# FILTER CARTRIDGES

See our price list for cartridge cross reference.

**End Caps** – End caps are made of crack-resistant premium-grade polyurethane and plastisol. A superior cure process promotes the cartridge life and its functionality.

**Media** – High quality, spun-bonded polyester material allows for exceptional water filtration. Filtration area in Poolmaster cartridges are equal to or exceed OEM (Original Equipment Manufacturer) specifications. Antimicrobial models available in select sizes.

**Band** – Break-resistant bands maintain uniform pleat separation allowing maximum flow, filtration, and longevity.

**Pleats** – Crisp, uniform pleats allow for maximum quality filtration, extending the life of the cartridge. Optimum pleat counts increase the filtration efficiency and serviceability.

**Core** – Molded cores are engineered for maximum flow distribution, allowing efficient circulation and ensuring the highest quality level of filtration.
