## We Make Water Fun!

### About Us:

Founded in 1958, Poolmaster® has been offering best-in-class pool and spa products to consumers around the world. Our commitment to quality, customer service, and reliability is the cornerstone of our corporate values which are enforced and embraced by our employee community. For 60 years, we've proudly developed, manufactured and sold one of the largest varieties of pool and spa products worldwide to wholesalers and retailers, as well as developed OEM product lines to specialty and mass market customers.

## Maintenance and Recreational

### Corporate Values:

**C**ommitment to Quality: Our products are designed to offer value with best-in-class quality. We strive for continuous improvement across all product lines along with bringing new innovations to the marketplace.

**A**ct with Integrity: Conducting ourselves with the highest standards of personal accountability, honesty, and fairness with our customers, vendor partners, and employee community is paramount to our success.

**R**espect for Each Other: We value and respect each individual's contributions and take pride in offering continued growth opportunities and education to build a stronger employee community.

**E**xcellence in Customer Satisfaction: Respect for our customers and exceeding expectations for on-time delivery, order processing, and facilitating special requests in a timely manner is first and foremost for us every day.

# Filter Cartridges

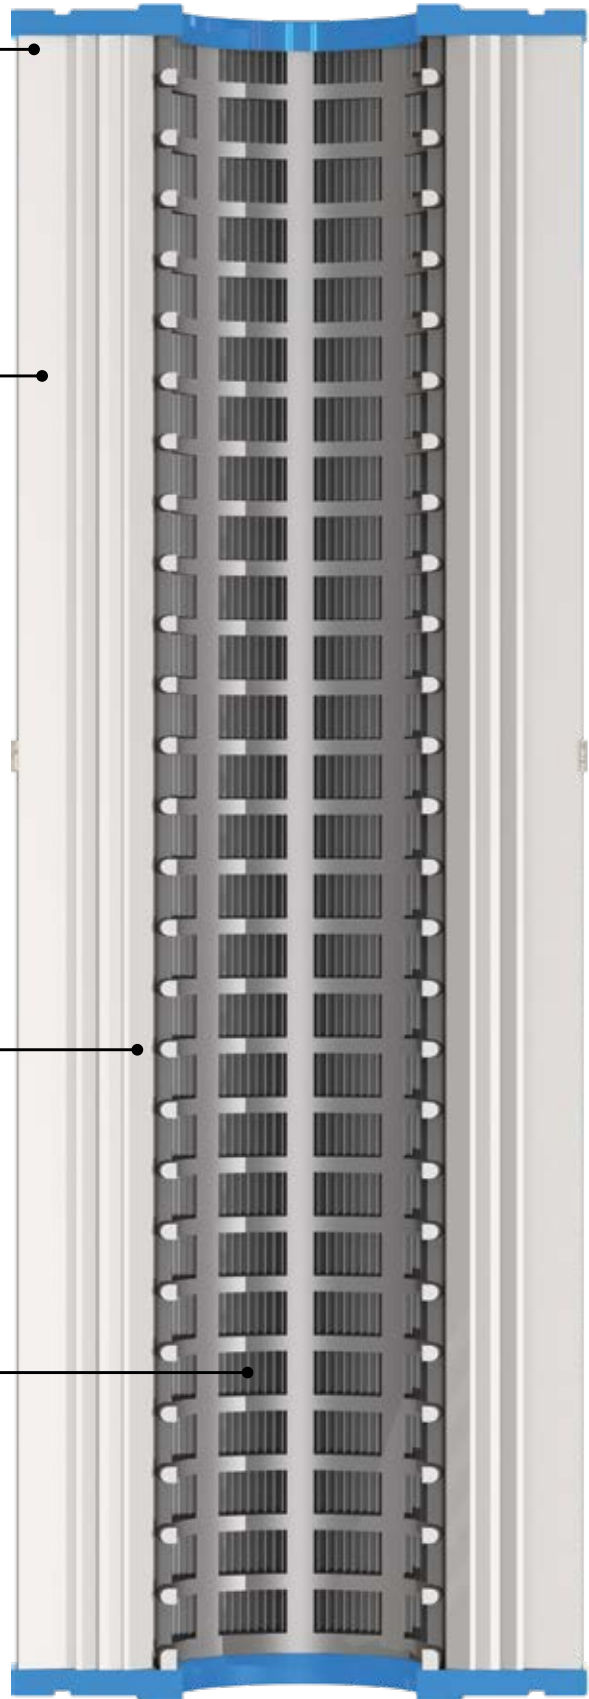

**End Caps** - End caps are made of crack-resistant premium-grade polyurethane and plastisol. A superior cure process promotes the cartridge life and its functionality.

**Media** - High quality, spun-bonded polyester material allows for exceptional water filtration. Filtration area in Poolmaster cartridges are equal to or exceed OEM (Original Equipment Manufacturer) specifications. Antimicrobial models available in select sizes.

**Band** - Break-resistant bands maintain uniform pleat separation allowing maximum flow, filtration, and longevity.

**Pleats** - Crisp, uniform pleats allow for maximum quality filtration, extending the life of the cartridge. Optimum pleat counts increase the filtration efficiency and serviceability.

**Core** - Molded cores are engineered for maximum flow distribution, allowing efficient circulation and ensuring the highest quality level of filtration.
