

POOLMASTER®

We Make Water Fun!

52608

Thank you for your purchase. Your Dual-Sided Hanging Clock is weather-resistant and ready for indoor or outdoor use.

BATTERY INSTALLATION / SET UP

Remove battery cover on back of clock and insert 2 AA batteries in the correct orientation as directed on the clock and replace cover. Use the wheel on the back to adjust to the correct time.

MOUNTING

Mount to any surface strong enough to hold the weight of the clock using nails or screws, not included. Hang clock by using the hanger on the back. Do not hang from the lip / outer rim of the clock.
